

SCHOOL VIOLENCE PREVENTION DEMONSTRATION PROGRAM

## ***FOUNDATIONS OF DEMOCRACY***

### **SLIDESHOW**

By Jodi Wardlow

#### **Activity Description**

As a culminating activity after finishing a concept from *Foundations of Democracy*, students each create a PowerPoint slide demonstrating what he or she learned. The slides are then combined to create a class slideshow.

If your school has a Study Buddy program where lower and upper grade levels meet to read or collaborate, this is a great activity. Primary and intermediate partners can work together on this activity.

#### **Suggested Grade Level**

Grades 1–2

#### **Estimated Time to Complete**

One or more class periods

#### **Objective**

- Students will create a slide using examples of terms that connect to the key vocabulary for the civics topics studied.

#### **Materials Needed**

- Computer access/laptop computers
- Projector if you wish to view the slideshow
- Copies of the individual slides for students to take home
